

TruFiber<sup>®</sup> is a tasteless fiber powder combined with fiber digesting enzymes which work together to provide prebiotic nutrition for beneficial bacteria and supports overall gut health.\*

- ▶ Dissolves fast, clear, with no grit and flavor-free without thickening.
- ▶ SunFiber<sup>®</sup> is the primary fiber source and has been shown to support optimal regularity.\*
- ▶ TruFiber may provide a satiated feeling for some individuals.\*
- ▶ Two sources of prebiotic fiber combine with three bifidogenic enzymes to stimulate Lactobacillus and Bifidobacteria probiotics.
- ▶ Each serving provides 13% of the Daily Value for fiber.
- ▶ Can be used with Enzalase as a gentle enzymatic colon cleanse by taking two servings of each at night for ten nights.

**SUGGESTED USE:** Mix one scoop into 8-12 ounces of a non-carbonated beverage. Additional mixing may be needed depending on beverage type and temperature.
