

BIOME-XYM™

ACCELERATED PROBIOTIC CATALYSTS™

Probiotics are safe and beneficial or “friendly” microorganisms that provide numerous health benefits.* Some of these benefits include:

- increased vitamin production of B2, B3, B5, B6, B12, folic acid and biotin*
- decrease in lactose intolerance*
- defense against food poisoning*
- promotes healthier looking and feeling skin*
- better absorption of foods*
- increase in peristalsis*
- increase in immunity*

Probiotic bacteria therapy with Biome-xym™:

- helps support colon health, bowel regularity and overall digestive function*
- support intestinal immune function and overall immune system health*
- relieves occasional gas and constipation*
- promotes healthy nutrient absorption and assimilation*
- supports the digestion and absorption of food*
- helps maintain intestinal flora*

BIOME-XYM™ is a blend of thirteen (13) broad spectrum super strains of probiotic bacteria that originate from six (6) different genera or families. They are delivered to the lower intestinal tract via delayed release, acid-resistant capsules. Each dosage contains 50 billion CFU. This product does not require refrigeration.*

Supplement Facts

Serving Size: 2 capsules
Servings Per Bottle: 31

	Amount Per Serving	% DV
Probiotic Bacteria Blend
