FANNING THE FLAME

Fire Ritual © Melanie Gendron 2015

Bright Mother Sun!

We thank you for Everything. You are our Everything.
We would be Nothing without your radiant light, your warmth
Your heat stored in earth-core, released in decay
Your photons powering the world's green
Your alchemy creating our life-breath
Your weight swinging us to and fro
but never letting loose of the orbital leash.
We are your awe-struck children.
Eos, Titan Goddess of Dawn—Bast, Lion Goddess of Sunset
You wake us to Beauty and Action, drowse us deep into creative fire
Amaterasu, Great Shining Heaven—Aditi, Source of All
Walo, Sunna, Hebat, Malina
Saule, we can't keep up with your silver shoes and shining steeds
Your mighty rampages of transformation
Every second, 4 million tons of your mass explode into energy
We cry out wonder. We cry out fear.
Our shell is crisp and burning, our silver icing melts
We are pell-mell to protect our blue-green home
from the heavy blanket we wove, trapping your Dragon-fire.
Sweet Dragon, we will ride your bright power into white-hot invention
Kindle the blaze of Vitality, Fan the flame of Spirit
Blow fervent with Enthusiasm, Insight, Regeneration
Gather our peoples around the HeartWarm altar, Sacred Sun,
where you are always smiling
And we are always Clear.

What burns inside you for the greater good? What inspired actions do you see shining in your community?

Tell us about the world you want to create.

What restorative work are people doing to take care of the planet?

What rites and rituals revolve around the Sun?

What's new under the Sun?

Where fresh possibilities are being brightly illumined? What new layers of consciousness are unfolding?

Where do you see the dross of chaos being burned away? What is at the heart of the matter?
