**We'Moon 2021: The World**

*Female Strength* © Helena Schotman 2016

Every year We'Moon receives thousands of submissions of art and writing from women all over the world. We invite women to attend "Selection Circles," our preliminary selection process in which we ask you to share your opinion about the submissions, to help determine which pieces to include in We'Moon. You will earn one 2020 datebook for every two hours of participation, have a sweet, inspiring time, and be an integral part of creating *We'Moon 2021*. Yummy snacks and beverages will be provided. Carpooling is encouraged. We hope you'll join us!
