

RIDGEFX™

NAIL SURFACE ENHANCER

WHAT IT IS

RIDGEFX™ is a nail surface enhancer and ridge filler that perfects the appearance of the natural nail.

WHAT IT DOES

RIDGEFX™ smooths out ridges and masks imperfections for beautiful color application. See results instantly!

WHY YOU NEED IT

- Natural nail instantly looks and feels smoother; eliminates the need for buffing nails.
- Visibly brightens and evens out natural nail color.
- Optic diffusers visually enhance the nail surface and mask imperfections.
- **OPTIFIL TECHNOLOGY™** fills in surface imperfections, improves and refines appearance of nail texture.
- Designed to work synergistically with **VINYLUX™** Weekly Polish self-adhering technology.

DIRECTIONS FOR USE

- Shake vigorously to blend.
- Apply a thin layer of **RIDGEFX™** to clean, manicured nails.
- Apply two thin layers of nail polish.
- Finish with one layer of top coat.

For optimal results combine **RIDGEFX™** Nail Surface Enhancer with the **CREATIVE PLAY™** Nail Lacquer System or **VINYLUX™** Weekly Polish System.

CND offers comprehensive education opportunities. Check the education section of cnd.com for a course near you.

CREATIVE SUGGESTIONS

- Use **RIDGEFX™** on natural nails that are prone to staining.
- Use **RIDGEFX™** with any traditional nail polish to smooth imperfections on the natural nail.
- For an enhanced natural look, apply one or two layers of **RIDGEFX™** to clean, manicured nails and follow with your choice of **CND™** Top Coat.
