

Solaris™

EMBROIDERY AND SEWING UPGRADE 2

Get more creative tools on your Solaris embroidery and sewing machine with dozens of new embroidery designs, fills and features in this must-have software upgrade. You'll also have the ability to use the IQ Intuition™ App for endless design creation.

Ask an
associate for
more details!

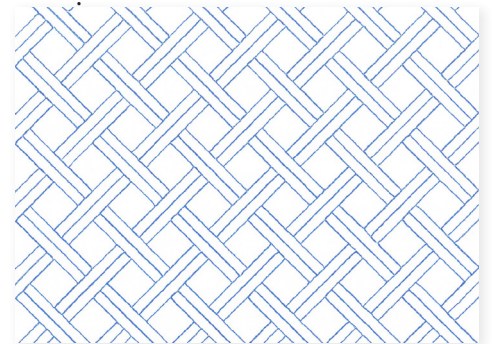

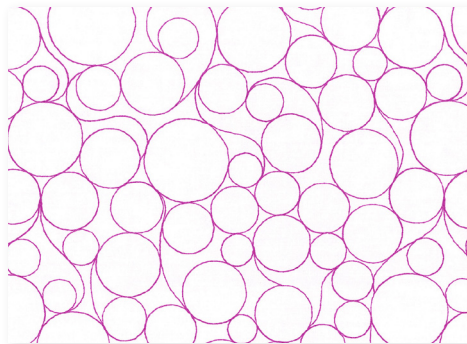

End Point Setting for Sewing

Set your end point and Solaris will automatically adjust your stitches for the perfect length.

IQ Intuition™ Positioning App for IQ™ Designer

Send an image from your phone to the Solaris to create an embroidery design in IQ Designer.

Six Additional Decorative Fill Designs for IQ Designer

Expand your options with six new gorgeous fill designs. Edit and repeat them for large-scale embroidery or quilt topstitching.

Enhanced Quilt Borders and 15 New Sash Patterns

Create even more dynamic quilt borders and sashings than ever before. We've also added new designs to round out your creative possibilities.
