

Soprano

Sewing Machine

FOR THE LOVE OF SEWING

Presenting the Soprano

Being a self-taught quilter, I need a machine that lets me hit the high notes with ease. The Baby Lock Soprano does exactly that. It's easy to get started with the advanced needle threader and quick-set, top-loading bobbin. I'm all set to quilt in no time. Since I'm always quilting, either for myself or for a book, it's nice to have a machine that helps me get things done quickly.

The Advanced Pivoting Feature is another handy tool. It makes it easy to turn corners and curves that don't always follow "the rules" in my modern quilt patterns. I also love the Automatic Fabric Sensor System—it delivers the right amount of tension for my stitches no matter what type of fabric I'm using. And with 300 built-in stitches and tons of accessory feet, I never miss a beat when I use the Soprano.

For the Love of Sewing.

Key Sewing Features

LCD Screen

Stitch settings are displayed on the Soprano's LCD Screen so you always know the stitch type and size you're about to sew.

Built-In Stitch Memory

If you have a favorite stitch or need particular settings for a certain project, save them with the Soprano's built-in stitch memory.

Advanced Pivoting Feature

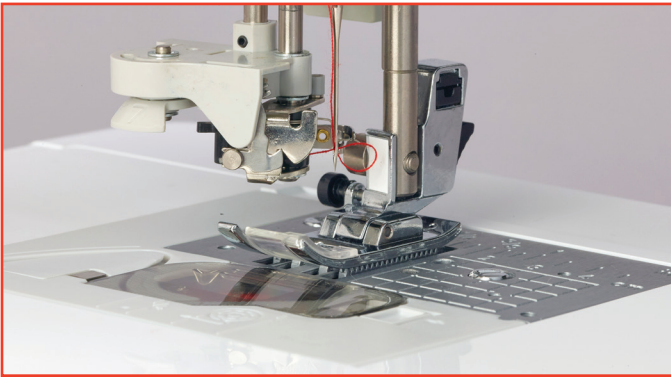

Turn corners, follow curves and maneuver around appliqué shapes easily.

Automatic Fabric Sensor System

The Soprano will deliver the right amount of pressure and thread tension to ensure perfect stitches when sewing or quilting on a variety of fabrics.

Key Sewing Features

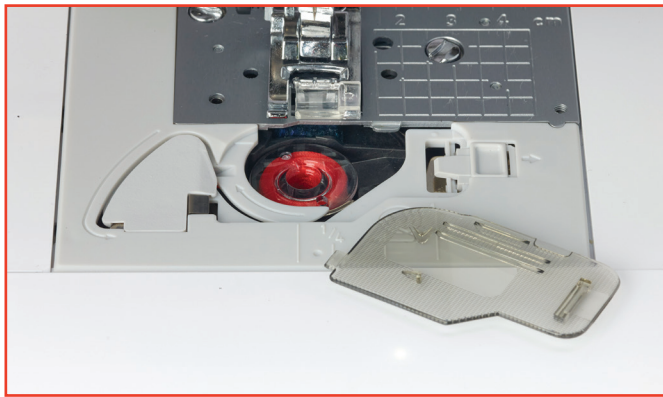

IQ Advanced Needle Threader

Follow the path and press a lever—that's all it takes to thread the Soprano. The Advanced Needle Threader is so convenient you can do it all with just one hand!

IQ 300 Built-In Stitches

With 300 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.

Quick-Set, Top-Loading Bobbin

When you're ready to sew, simply drop a bobbin in and go. It's always easy to get started.

Quilting Extension Table

Increase your sewing surface and provide extra support for larger projects. Table measures 12-5/8" X 20-3/4."

Built-In Accessory Storage

The Soprano comes with 16 accessory feet in a convenient storage case so you have easy access to everything you need.

Push Button Features

Push-button features make it easy to choose your settings on the Soprano. You can change needle positions, raise and lower the presser foot, cut thread, start and stop sewing, and more.

Technology Features
