## Instructions

### *Part 1 - Detox Advanced Formula*

1. Drink one glass of water. Then take one tablespoon of the Detox Advanced Formula with 8oz of water, juice, or smoothie. Drink a glass of water after drinking Detox Advanced Formula.
2. Take Detox Advanced Formula at least two hours before or after consuming anything. (*This includes any medication or supplements*)
3. Do not take too much Detox Advanced Formula as it is more likely to create some side effects if a proportionate amount of water is not consumed. Drink at least two or three glasses of water or juice with every teaspoon of Detox Advanced Formula.
4. Throughout the day drink eight to 12 glasses of water to ensure that the Detox Advanced Formula moves through the intestines easily.
5. It is advisable to take some **probiotics** daily on an empty stomach. (*Take 2 hours before or after Detox Advanced Formula*)
6. Detox Advanced Formula can be added to other high fiber foods, such as oats or other cereals, and even to fruit juices to increase the fiber content of the food.

### *Part 2— Probiotic Daily Support 60 caps*

This probiotic contains 5 Billion Viable Cells of *good* bacteria. Probiotics help move food through your gut.

- ✓ **Benefits:** promotes a healthy digestive tract and a healthy immune system, helps with skin conditions, like eczema, improves urinary and vaginal health, prevents allergies and colds, and improves oral health.
