Dear Aaron:

Aaron,

Thank you and the Redcon1 team for your generous donation of _____ to our Foundation. Special Operations Warrior Foundation is dedicated to honoring the sacrifice of Special Operations Personnel who lose their lives in the line of duty or are severely wounded in service to their country.

Our Foundation ensures full college payment to any fully accredited college or university in the nation for the surviving children of Fallen Special Operators. No recipient has to fill out an application to apply for our grants – we find them. In addition to the college scholarships, your financial support makes it possible to provide funding for pre-school, in-home tutors for children ages five through college graduation, educational counseling, college visits, college preparatory courses, ACT and SAT preparatory courses, and funding for internships and mentoring programs. In 2017, our nation suffered the loss of 48 Special Operators who left behind 93 children. You make it possible for these children to have the opportunity for a college education. We are also proud to announce 19 students completed their college education and graduated.

Our other key mission is to provide financial assistance to severely wounded Special Operators. We believe that when the service member is wounded the entire family is wounded. To date we have delivered over \$2.8 million in assistance to ease the financial burden associated with their hospitalization. In 2017, we supported 80 severely wounded Special Operations service members.

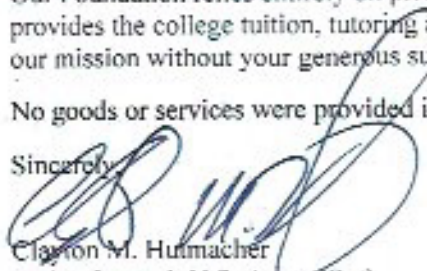

None of this would be possible without you!

Your donation is used wisely. Our Foundation recently received our 13th consecutive *Charity Navigator Four Star Rating* which places us in the top 1% of all charities rated by them.

Our Foundation relies entirely on private donations to fulfill our mission. It is you, our generous donor who provides the college tuition, tutoring and immediate financial assistance – not us. We simply could not fulfill our mission without your generous support. Thank you!

No goods or services were provided in exchange for your contribution.

Sincerely,

Clayton M. Hummacher
