1. *Print this page.*

2. *Verify the cradle is connected to a USB port on the computer.*

3. *Allow the scanner to charge for 24 hours before first use.*

4. *Scan barcodes 1 - 10 in order. Read the notes between the scans.*

Note:

#3 is the barcode on the top of the charging cradle.

#5 and #10 are test scans, place the cursor on an area of your computer you can type in to test.
