

Technical Specifications

Frame	None
Diffuser	Not Present
Dimmer	Yes
Light Bulb	Included
Battery Voltage	AC110~230(V)-60(HZ)
Power	6(W)
Light Source	LED E27
Certification	CE
Light Flux	480(lm)
Color Temperature	2600(K)
Luna Material	PVC / Non toxic, water repellent and heat resistant Latex / Mixed Fibres
Rope Material	Cotton, Nylon, Linen etc (ϕ 0.3cm / ϕ 1/8")
Accessories	Dimmer Control (cord length 230cm / 7.5")
Size & Net Weight	LUNA II ϕ 30cm / ϕ 11.8" 1500(g) LUNA III ϕ 40cm / ϕ 15.8" 2500(g) LUNA IV ϕ 60cm / ϕ 23.6" 5000(g)

Important Information

Ensure that the location where the luminaire is fitted is free from flammable gas or dust.

Opening and Closing the Luna Lid

- a. Thread through the lid onto Luna with rope (fig.a above)
- b. Tie it tightly (fig.b)

* Should you need to change the light bulb, please note that the lid's diameter is 9cm(3.5"), light bulb's width cannot exceed such measurement.

Linking Luna with the Dimmer

- Plug converter needed for countries who do not use type A.
- c. Insert Luna's plug into the dimmer's outlet (fig.c)
- d. Insert the dimmer's plug into your wall's outlet (fig.d)

Luna as ceiling light: you may install Luna as a ceiling light. **Before you install Luna make sure that you turn off power at main circuit panel.** Please check the weight of Luna that you have purchased (please ref to the weight aforementioned) and that the electrical box may support the weight. Luna has AC wiring, the two wires are AC Line and AC Neutral. Please ensure that the wires are well wrapped and insulated from each other to avoid short circuit prior to connecting to your home wires. Further the chain, or rope, that you would wish to use must be shorter than the cable.

Cleaning Instructions: Regular cleaning of light is essential for optimal lighting solutions. The exterior surfaces of Luna are finished with high quality powder paint - this provides a durable scratch resistant coating. It is recommended that the surface are cleaned regularly to remove accumulated dust and dirt.

Luna can be cleaned with damp or dry cloth and a non-abrasive substance. Do not spray solutions directly on the fixture.

Warranty

By the producer (min. 1 year). We provide a limited warranty to the original purchase of its product against all defects in original workmanship and material, under normal use and service, for one year from the date of purchase with following exceptions: Acorn will not be liable for any further loss, damages, or expenses, including incidental or consequential damages directly or indirectly arising from the sale or use of this product. Products not manufactured by Acorn are not covered.

Return Policy

You can return your items by letting Acorn know within 7 working days starting from the delivery date. Return generates a 100% product(s) cost refund.

If the product(s) is missing or faulty, we will also refund the returning delivery costs. The refund can be settled through bank transfer or Paypal. Please let us know the payment period you prefer by contacting support@acorn.space. Partial returns will correspond to partial refunds.

The returned product(s) must be in their original conditions and properly packed, possibly in their original packaging. If the original packaging is broken or not available, you must use an appropriate alternative package for the return of the product.
