EASTER DAY

Outdoor Easter Egg Hunt Clues for Kids

Look for me outside, not too far
away, where the postman comes
to bring mail each day

Look high and low, far and
wide, I'll be where garden
tools and seeds reside

Coiled up tight, I wait for you,
long and green that water
passes through

Plants need a home where they
can thrive, I'm under the container
where they grow and survive

Cooking outside is the way to
go, find me where the grill
sizzles and glows

In the garden, tall and grand,
find me where branches
stretch above the land

It's not a rug, but sort of the
same, find me laying near a
door frame

The inside is stinky, so it comes
with a lid, if you don't mind the
smell, you'll find where I'm hid
