

BEYOND THE URN PRODUCT CATALOG

Spring Edition

About

We're a collective of glass artisans based in Austin, Texas who believe art can help heal the pain of losing a loved one.

Our glass art incorporates a small amount of cremains infused directly into the molten glass at time of formation, allowing you to always keep your loved ones close to the heart.

Tranquil Swirl by Rachel

Garden Orbs

By Aaron

Hang these lovely creations in your window or in your garden. Solid glass, they come in 3" and 4" sizing with one or two hooks. They can also be ordered as paperweights (no hooks.) Uses only 1/4th a teaspoon of cremains per.

Rope glass orbs are infused with cremation ash with ropes of colored glass swirled within. Each glass orb with cremains is handmade on your behalf so there will be differences in appearance in swirls and patterns orb to orb.

Produced within 6 weeks after the collection kit is returned. Pick two colors from: Teal, Turquoise, Red, Green, Blue, Pink, Purple, Yellow, Grey, Black White

Tree of Life Collection

By Rachel

Autumn Sunshine Tree of Life with Blue and Green Tranquil Swirl

This simply divine Autumn Sunshine Tree of Life has been hand twisted using over 300 feet of 20 and 22 Gauge copper wire. The Autumn Sunshine Tree of Life is about 6" high and 5" wide.

This tree has been bundled with a 3" Blue & Green Tranquil Swirl Orb to create a unique 'Burning Bush' motif memorial. The Tranquil Swirl Orb uses 1/2 a teaspoon of cremains. We can also combine this with any 3" orb style in the catalog upon request (additional fees may apply.) Comes with wood base.

As this is a collaboration between two artists it will take 6-10 weeks to complete. The Tranquil Swirl Orb will ship prior to the tree; you'll be able to add in the orb yourself once the tree arrives (they ship separately.) Please defer to paperweight listing for guidance on cremains usage if you're ordering a different orb.

Golden Sparkle Tree of Life with Swarovski Crystals and Purple Sparkle Orb

This beautiful golden tree has been adorned with Swarovski Crystal Beads and Butterflies. A beautiful memorial, it is a heirloom for the generations. Standing 8" tall and 6" wide; with the Tree of Life being 5" tall and 6" wide, it is large enough to be seen across the room but small enough to fit on desks, mantles and special memorial nooks. This artwork is a collaboration between two artists.

The tree and orb will ship separately, with the orb shipping within 4 weeks of the kit return and the Tree of Life within 6-8 weeks. Different colored leaves and colors on orb are available upon request. The orb is around 3" in diameter and uses about half a teaspoon of cremains

Glass Pendant Collection

Check out this lovely collection of glass pendants infused with cremains from your dearly departed. Available in multiple styles, they use under 1/4th a teaspoon of cremains each. Only the pendant is included in purchase, bail holes are generally 2-4mm wide.

Nightswirl

By Filip

This lovely Pendant has overtones of a small galaxy and ranges in size from 7/8" to 1 1/4" diameter. It works well as a solo pendant or as part of a larger piece.

Available only in Blue. This is a flat disc rather than a sphere.

Italian Horn

By Ryan

These lovely glass pendants contain a small amount of cremation ash from your dearly departed loved one. Measuring at approximately 1.5" to 1.75" with bail and uses about 1/4th a teaspoon of cremation ash. It's long slender shape makes it a perfect addition to any outfit.

Madison Pendant

By Charles

This stunning sterling silver wrapped Dichroic Glass Pendant works both as casual and formal wear. The Dichroic Glass Cabochon holds a small pinch of cremains from pets and people. Several yards of Sterling Silver of various gauges are hand wrapped around the Cabochon to produce this amazing piece of art.

Approximately 1 3/4" long. Exact wire-wrapping pattern will differ slightly from pendant to pendant. Available in Blue, Green, Red and Purple, cremains are visible either in black opaque backing or in clear glass in front (request preference.)

How To Order

Please let your Funeral Home professional know you're interested in purchasing. They will set aside sufficient cremains and submit a collection kit. Once submitted, normal turn-around time is 4-6 weeks. The memorial(s) will be delivered to the Funeral Home. If you are ordering multiple styles of memorials, please be aware different artists may be involved which will accrue additional shipping costs of \$25 per artist. You will be given the option of to have any excess ashes scattered local to the artist in a nature setting or returned for an additional \$25 fee.

Return Policy

We offer a 30 day money-back warranty and/or replacement of the memorial for breakage with photographic evidence of breakage. All our infused memorials are handmade on demand; as such all items will be similar, but will not be the same, as images on the website. Exact sizing, color distribution, bubbles (presence, location, size or lack of) and ash placement are all variable piece to piece. Any such variations in color (hues) and characteristics occurring in these products do not, and shall not, constitute a defect in the quality or appearance of the product, and customers purchasing such items agree and accept such naturally occurring variations. Returns and refunds will not be considered for aesthetic issues.

If cancelling an order prior to the production of the memorial a \$10 cancellation fee will be applied against your order. If stands were part of your order and are being returned the cost of shipping the item is to be borne by the customer. All refunds will be applied against the existing order; refunds will appear on the method of payment 3-5 days after refund is made.

Illuminated Memorial Flame

This beautiful flame has a central colored swirl along with a spiral of cremains. Profile is flat, about 1" thick. 2" wide for the 4.5" flame, 3.5" wide for the 7" flame (sizes approximate.) Uses 1/2 a teaspoon of cremains per.

Available in Blue, Green, Aqua, Pink, Purple, Gold, Red & Orange or Black & White (color choice refers to center color core.) Comes with a 4" wide mirrored illuminated base containing 7 multi-colored LEDs. The colors of the stand will rotate between several color configurations throwing light into the flame. Pictured above is a green flame with the purple LEDs on. Will rotate on A/C power, lights only if on battery power.
