VOLANTE™ HD42 DESKTOP SIT-STAND WORKSTATION

For applications where a more robust workstation is required to experience the health benefits of standing during your work day, our Volante™ HD42 will quickly and simply convert your existing work surface to a dynamic sit-stand workstation. With the strength to effectively support 45 lbs. of equipment and a 42" wide primary work surface, the Volante™ HD42 desktop sit-stand workstation has the strength and work surface area to accommodate two 27" monitors and your additional work tools.

MAIN FEATURES:

- The 42" x 15.7" primary work surface is large enough to accommodate two 27" monitors, documents, cell phones, pens and tablets
- Strong enough to comfortably support 45 lbs. of equipment
- Simplified single paddle height adjustment for added control when raising or lowering the workstation
- Infinite gas assisted height adjustment throughout its 14.6" range
- A large 42" x 15.7" work surface to accommodate documents, cell phones, pens and tablets
- The keyboard tray has 20° of ergonomic tilt for improved ergonomic typing (-10°/+10°)
- A moveable mouse fence is provided to help control your mouse cables
- Designed to comfortably fit on a 24" deep desk
- Extensively tested to support a 2 year worry free warranty
- Available in black to match any office design decor
