THE SIGNATURE COLLECTION

Spring Summer 2022

2022 is going to be the year of the wedding, with couples creating events that are more bespoke and personal to their story than ever before. We have created an exclusive Wedding Collection that brings together some stunning new stones and wedding ready colours.

Discover our new and exclusive Signature Collection, a carefully curated range of exquisite semi - precious stone cufflinks and lapel pins for weddings. With Seven semi-precious stones, there is an elegant colour and stone to compliment some of the most popular wedding colour palettes and themes.

We spent some time delving into weddings and popular themes across the globe to create a selection of designs that will help grooms add a hint of their days colour palette or theme to their look.

A combination of delicate design, natural stones & sophisticated metals.

Staring iconic Elizabeth Parker duos: Black Onyx & Gold, Mother of Pearl & Gold and Sodalite & Rose Gold.

As well as a touch of the unexpected; Blue Aventurine & Rhodium, Rose Quartz & Rose Gold and Green Aventurine & Rhodium and Smokey Mother Of Pearl & Rhodium.

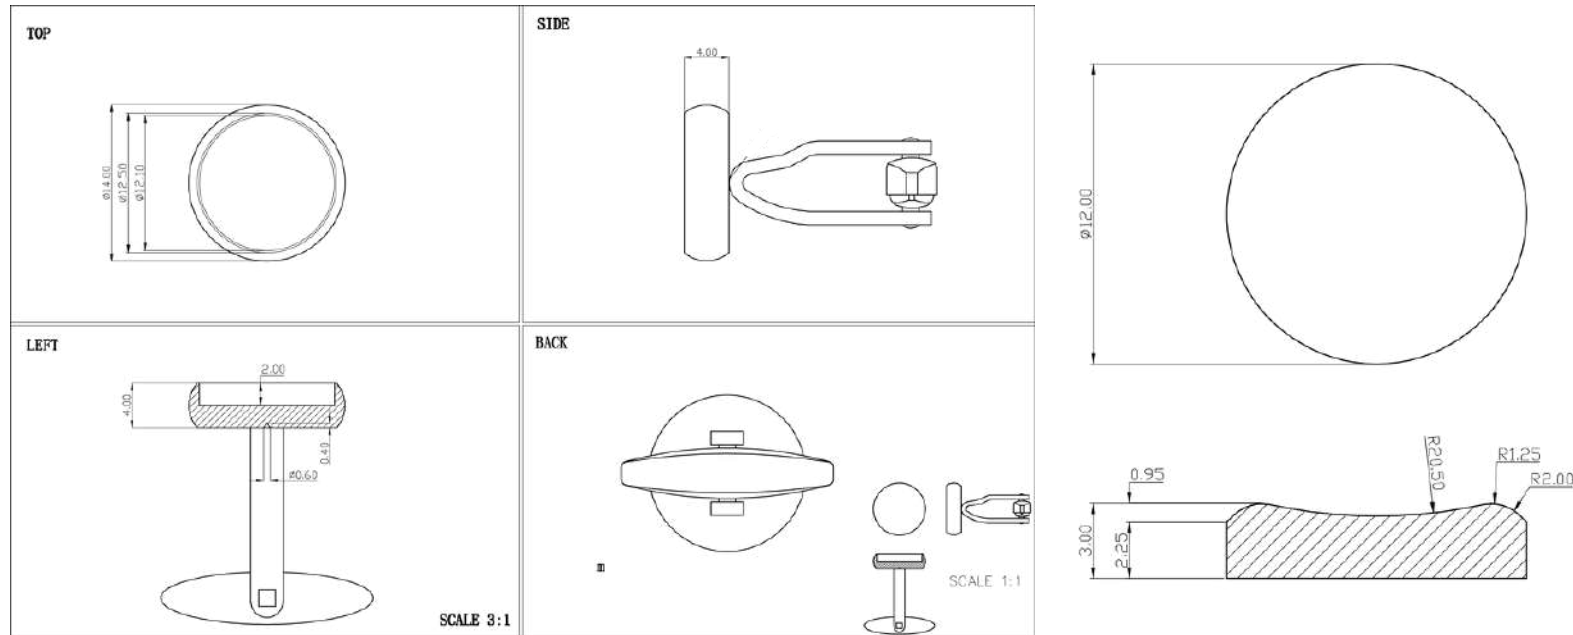

This collection of exclusive cufflinks and lapel pins have been crafted to be worn solo or paired together, order as a set or separately – the choice is yours.

A piece of elegance to celebrate a life changing moment.

THE SIGNATURE COLLECTION

Design Concept

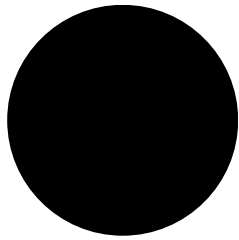

A twist on a timeless design, with a delicate diameter of 14mm and featuring a stone that protrudes from the edge of the casing before dropping down to create a slight concave dip. The Signature Collection pieces will come to life when hit by the light. Our standard cufflink bascule ensure they are easy to put on and wear too. These designs include natural semi-precious stones, so tones and patterns may vary.
