

Wood Underarm Crutch Order Form

(Print this page to mail with your order and tracing)

Getting the correct measurements to order custom made crutches is easier than you might think. Your most important assignment is to carefully read and understand the instructions and fill in all the information requested. Let's start with the simple stuff.

Name _____

Street Address _____

Important Note: We ship via UPS so we must have a street address.

City _____

State _____ Zip Code _____

Country _____ Daytime Phone (_____) _____

E-mail _____

Credit Card # _____ Expires _____

Now for the personal part...this info I use to equate with your crutch measurements. I will call you if I sense something is not right.

Your Height _____ **Weight** _____ **Age** _____

Mobility: **Walking Gait** ___ **Swing Through Gait** ___

Activity level: Check one of the following that fits you best.

___ **Gorilla:** You are big, strong and athletic. You regularly go hunting, fishing, hiking, climbing, go up two stairs at a time, etc. and it seems like you break your crutches all the time.

___ **Draft Horse:** You regularly go out everyday to work or for walks, go food shopping, do house chores, go to movies and travel.

___ **Pussy Cat:** While you may have once been an adept and agile hunter in the wild, you now spend most of your time lounging around your home sitting in the sun reading a good book.

A full size tracing for all Underarm crutch orders is required.
