

YOUR GIFT IS ON THE WAY!

It's not here yet because apparently there was a huge storm in the Pacific, and then a huge sea monster came out of the clouds and destroyed the ship, but then the gift survived anyway and is now traveling on its

own volition to your mailbox

Happy Father's Day!

You must be quite the Dad to get a GRIP6 gift. We're proud to offer a lifetime guarantee on our products that are designed to last decades. Please reach out to grip6@grip6.com if you encounter any problems with your gift. Our materials are sourced entirely in the USA and manufactured in our headquarters in Salt Lake City, Utah
