## Crafting restful sleep for a restless world

For decades we have been developing cutting-edge technologies and the finest materials, and fine-tuning our craftsmanship in order to provide the most pleasant sleep possible to this restless world. The world's top hotels favour Springfit mattresses and beds because we blend premium attributes and offer the utmost in luxury and relaxation.

## Springfit Advantages

From commercial services to fulfilling the hospitality industry's requirements, we at Springfit understand the needs of our esteemed clients. We have years of experience backing our operation and handle each project - big or small - with equal focus and commitment. Our goal is to provide complete end-user satisfaction to everyone who approaches us. The Springfit team helps and guides clients through the entire process, from selecting the right sleep system to customizing mattresses for specific needs. Here's an overview of the services we provide:

- ✓ Focus on a full-service project management solution
- ✓ Wide range of mattress linens and accessories
- ✓ Choice of guaranteed sleep systems
- ✓ Detailed design and specifications
- ✓ International / Domestic supply chain network
- ✓ Dedicated corporate account management team
- ✓ Sampling and prototyping
- ✓ On-site measurement services
- ✓ Assured after-sales service

## We Guarantee our Services

We work relentlessly to make your sleep easier, better and more soothing. Our dedicated team develops products with the best technology and materials available, all of which are carefully selected to provide the most comfortable night's sleep. We've done the R&D, so you don't have to! Here's why Springfit is the best choice for your mattress-related needs:

- ✓ Over 40 years of experience in the sector
- ✓ Independent, family-run Indian company
- ✓ Award-winning quality with a conscience
- ✓ The hotel industry's leading brand for beds
- ✓ Experienced & Trained staff
- ✓ Dedicated mattress and foam factory
- ✓ Product promotion & planning strategy
- ✓ FR (fire-retardant) and HR (high-resilience) materials
- ✓ Specialization in making pocket-spring mattresses

# Innovation and technology that makes our products #1 choice

## CERTIPUR-US® CERTIFIED HEALTH FOAM

Springfit's CertiPUR-US® certified mattress assure you of the highest standards for content, emissions and durability.

## AERO SLEEP TECHNOLOGY

All Springfit products come with integrated temperature regulating properties, which provide ample ventilation within the mattresses.

## EDGE SPRING TECHNOLOGY

Flexible coil borders, surrounding the mattress for better edge support, give more sleeping surface and improved durability.

## CERTIGUARD TECHNOLOGY

Silver-based Antimicrobial which reduces the growth of unwanted microbes in the mattress and gives safe, clean, and healthy sleep.

## PEACE OF MIND GUARANTEED

Our dedicated customer care team takes pride in their work and focuses on always providing the best service and support.

## ANTI-SAG TECHNOLOGY

Bid farewell to sleeping in trenches or rolling in depressions. Springfit mattress has mastered the art of creating a mattress with anti-sag technology.

## Handcrafted luxury built for sustainability

We set out to revolutionise the Indian mattress industry by producing superior mattresses at a better price. Which makes Springfit India's leading mattress brand in the Indian hospitality sector.

SPRINGFIT  
**ABSOLUTE**  
LUXE

Cherished and contented experience  
for your guests

This beautifully designed pillow-top mattress has an added layer of soft padding stitched to its top. Besides supplying an extra layer of sumptuous, cloud-like luxury, the Springfit Absolute Luxe mattress is also effective for soothing side sleepers' hip and shoulder pressure points. It has a top layer made of body contouring memory foam, and the mattress offers a softer feel for a heavenly sleep.

SPRINGFIT  
**ABSOLUTE**  
BLISS

Gift blissful sleep experience  
to your guests

Rejoice the luxury hotel experience with Springfit Absolute Bliss Mattress. This Euro top mattress is the perfect choice for plush combination of soft and supportive material, and they are also excellent for those who struggle with any sort of back or neck pain. Euro top mattresses tend to be softer than pillow tops, and they are also stitched right into the top layer of the mattress making them flush with the edge.

## SPRINGFIT **ABSOLUTE** COMFORT

Take pride when guests  
adore your mattress

Springfit Absolute Comfort is engineered to maintain its shape and consistent comfort over the life of the mattress. The foam layers above carbon-manganese alloy springs adjust to your body to give you a customized sleep surface. This unique combination along with comforting foam layers will help you sleep well and wake up refreshed.

## We master craftsmanship

Bespoke creations are a natural expression of our savoir-faire. Because all our mattresses are made by hand, we take pride in accommodating all our customers' special requests. From personalised upholstery to unusual dimensions.

SPRINGFIT  
**REGAL**  
Euro

A relaxation oasis for  
your guests

Springfit's Regal Euro Mattress uses high-tensile pocketed springs in a critically arranged pattern that corroborates with your body shape and relieves pressure points. Individual springs support spinal vertebrae to prevent backache and other body pains, literally massaging your muscles while your body selects its ideal posture for comfortable sleep.

Hotel  
Contract Beds

### Folding Roll-Away Bed

The hotel industry is all about providing clients with agility and flexibility in terms of sleeping accommodations. We designed Folding Roll Away beds to meet these requirements while also providing hotels with mobility and capacity. Our Roll Away beds are foldable extra beds that are easy to store and install and can be ready to use in minutes. Especially beneficial for hotels, which regularly require additional sleeping space on short notice. This bed comes in two variations: with a headboard or without a headboard.

## Pillows

### SLIM CHILL (Cool Gel Memory Foam)

The Springfit Slim Chill Cool Gel Memory foam Pillow is a unique material that reacts to body temperature and moulds to the neck curve. To provide exceptional comfort.

### SUPER MICRO-FIBRE PILLOW (Lite & Cozy)

The soft and lightweight Springfit Super Micro-Fibre Pillow has a fine peach finish that's soft to the touch. This pillow is filled with fine Denier micro-fibre that allows moisture & dust in the air to pass through it.

### PREMIUM PILLOW (Soft & Cozy)

The Springfit Premium Pillow is made with satin strip fabric and delivers a truly luxurious sleeping experience, reserved for those who demand only the very best.

### CUSHIONS (Stress Buster)

The comfort-enhancing and stress-relieving properties of Springfit products come alive in the Stress Buster range of cushions, which are firm enough to support the vertebrae, while also being extremely comfortable.

## Comfort Accessories

### CUSTOMISED FILLERS

The Springfit Platinum Quilt/Duvet filler is perfect for comfortable sleep experience in the winter. Lightweight, durable, hygienic and elegant, this filler is made of 100% pure cotton fabric with a high thread count and looks absolutely enchanting.

### MATTRESS PROTECTOR

The superior quality Mattress Protector goes over your Springfit mattress to help protect it from liquid spills, stains, dust, dirt and damage. It also adds a touch of elegance and plush to your mattress.

### BED LINEN

Springfit's range of bed linen comes in a wide array of thread counts, from 200TC to 400TC. Our recommended thread count is 300TC, as it delivers the ideal levels of comfort, luxury and aesthetics.

### CUSTOMISED MATTRESS TOPPER

Springfit's Mattress Topper gives you a soothing snuggle and is ideal for a luxurious comfort that provides an extra plush restful night's sleep. It also helps to keep your mattress pristine for years.

*We ensure restful comfort  
to your quest*
