glass and stainless steel cleaner

delphis
eco

Our EU Ecolabel accredited glass and stainless steel cleaner leaves a sparkling, non-streaky and smear free finish.

benefits

- ✓ for internal and external glass
- ✓ for industrial and domestic use
- ✓ can be applied in direct sunlight
- ✓ alcohol free
- ✓ quick drying
- ✓ low odour
- ✓ reduced impact on aquatic life
- ✓ reduced use of hazardous substances
- ✓ phosphate and phosphonate free
- ✓ safe in septic tanks if used as directed
- ✓ readily biodegradable
- ✓ not tested on animals

application and directions

Use at full strength, do not dilute. Apply a small amount onto a damp cloth and wipe surface. For heavy cleaning spray directly onto surface, leave to stand for a few seconds and wipe clean. Try to use two separate cloths for application and polishing clean. Regular use will reduce usage and application time.

Do not use on very hot surfaces.

areas of usage

Use on internal and external surfaces including:

- windows, glass and mirrors
- stainless steel
- chrome
- plastic surfaces
- ceramic surfaces

safe handling and storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
