PRO-PREDATOR TRANSFORMER KIT

FISH WITH YOUR PADDLE

THE FISHING PADDLE™ TRANSFORMER KIT

The Fishing Paddle Transformer Kit is aimed at the existing paddle market, where there are 2 million paddles in current use in the U.S. alone. The kit provides a convenient, low cost retrofit option for a paddlers' preferred aluminum, carbon fiber, fiberglass or wood paddle. By transforming their paddle of choice into a Fishing Paddle in only a few minutes, the Transformer Kit expands the capability of their favorite paddle.

PRODUCT DESCRIPTION:

- Marine grade reel seats and rod attachment
- Exchangeable rod extensions can support 100 lbs of weight
- Fits any canoe, kayak or SUP paddle shaft
- Easy, fast installation and removal
- Works with any reel & tackle
- Troll with the reel and rod extension in place or remove the reel and rod extension at any time and continue to paddle
- Attachable reel seat & attachable interchangeable rod extension - MSRP \$69.99
