- 1) Fill out pages 1 and 2 of this order form, and include them in the box with your down item.  
Suggestion: make a copy for your records.
- 2) Bag up your item in a protective plastic bag and place it in a box for shipping. It won't hurt the down to be compressed in transit. No need to use styrofoam peanuts or other padding.
- 3) Ship to: *All About Down*®, 352 N. 78<sup>th</sup> St, Seattle, WA 98103 via your preferred carrier

**-OR-**

Save up to 20-40% over retail with our discounted shipping rates! Call or email us with the following information: box dimensions, name, address, phone number and your email address. It is also helpful, but not necessary, to tell us the package weight. With this information, we will order a discounted FedEx shipping label which they will email to you. (We do not sell your personal information.) Print out the label, tape it on your box and drop off at a FedEx store — **or** bring your phone an unlabeled box to the FedEx store. They will scan the barcode on your phone and print a label for you at their store.

- 4) When we receive your package, we will contact you to discuss your order and give you a firm price. It will include the cost of services, shipping (including our FedEx label if you ordered it), and sales tax where applicable. If you decide not to place an order, we will return your item and charge you only for return shipping.
