Cuir et Métal, un état d'esprit

L'art de réunir les matières, Ursul Paris.

Ses armes premières: le luxe des matières, le cuir et le métal, maniés avec finesse.

Sa quête: un dialogue permanent entre la souplesse et la fermeté, la chaleur et l'éclat, le mat et le brillant...

La recherche incessante d'une pureté de lignes pour un mariage graphique.

Naissance de la marque au double U: deux U qui écrivent «un» puis se retrouvent et ne font plus qu'un.

Pour un bijou qui habille l'homme et la femme.

Leather and Metal, A state of mind

The alchemy of materials. Ursul PARIS.

His principal weapons: the luxury of fine materials, leather and metal, handled with finesse.

His quest: a constant dialogue between suppleness and firmness, warmth and sparkle, matt and brilliant...

An unceasing search for the purest lines for a graphic alliance.

Birth of the trademark double-U: two U's that form "un" and then come together to merge into one.

For jewellery to dress man and woman.
