100% post-consumer recycled fabric

one planet

## PRODUCT DESCRIPTION

BrightLine smart light box displays feature swift tool-free installation, durable light-weight frames, embedded LEDs, and exclusive One Planet recycled fabrics with impressive vivid graphics, all conveniently organized in a heavy-duty shipping case. Panel A showcases a radiant angled design, engaging as standalone banner, but also very effective as a striking accent in combination with other panels.

Mix-and-match with BrightLine panels, or combine with WaveLine and SharpLine displays, to create unique branded environments. TV mounts and counters complete an enhanced experience to really make brands stand out.

KEY FEATURES

- Easy tool free assembly
- Lightweight portable construction
- Magnetic power links
- LED lights encapsulated in frame
- Heavy duty shipping case, molded foam inserts
- Single- or double-sided
- Vibrant graphics on recycled fabric

DISPLAY CONSTRUCTION

Aluminum frame with aluminum support poles
