

ShowFlex™ Tabletop Set-Up

1
Stand ShowFlex tabletop upright on table.

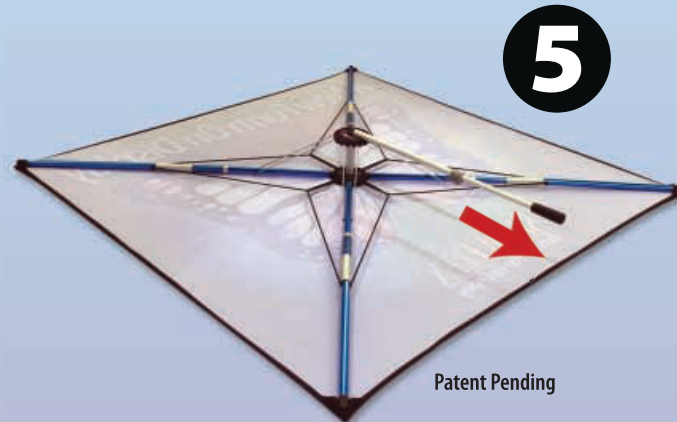

2
Unfold arms while pushing hub down toward table.

3
Pivot telescoping leg 90° to lock hub in place.

4
Open Arms - Spring loaded slides will lock them in place.

5
Last arm stretches fabric tight.
Extend telescoping leg to complete set-up.

ShowFlex Graphic Change Instructions

Stand ShowFlex upright on table

Partially open the unit

Remove corners plug with spacer rings

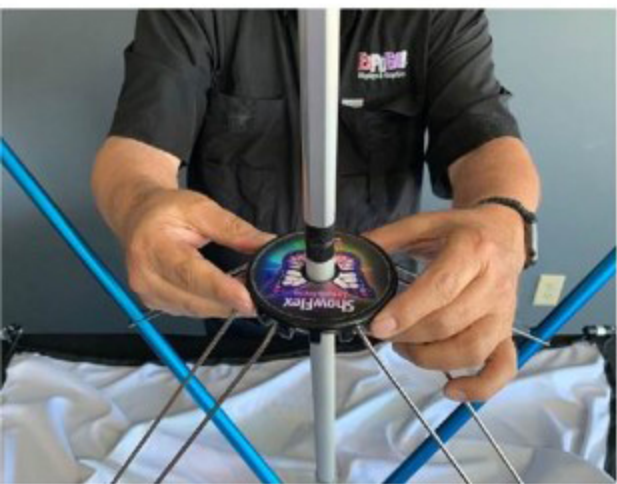

Remove plugs from all four corners

New graphic, top facing front of table

Stand frame on top of new graphic
