Kit Assembly

Step by Step

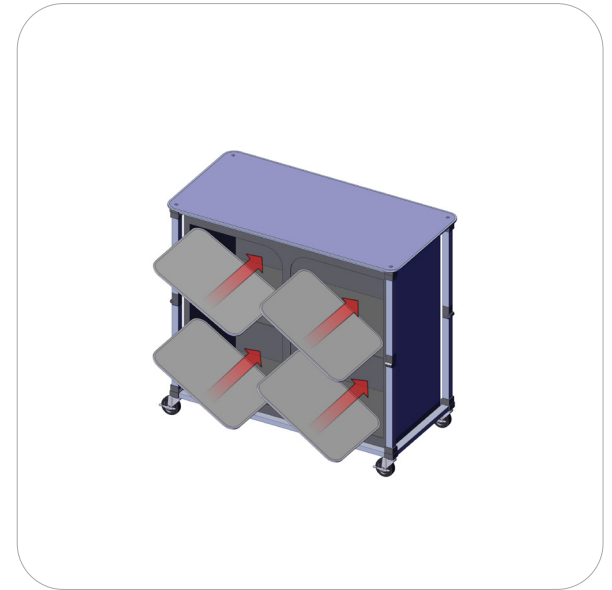

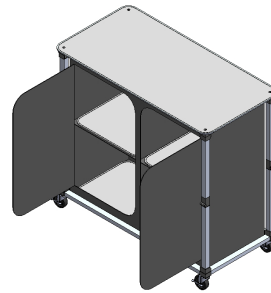

Step 1.

Unfold and lock legs.

Step 2.

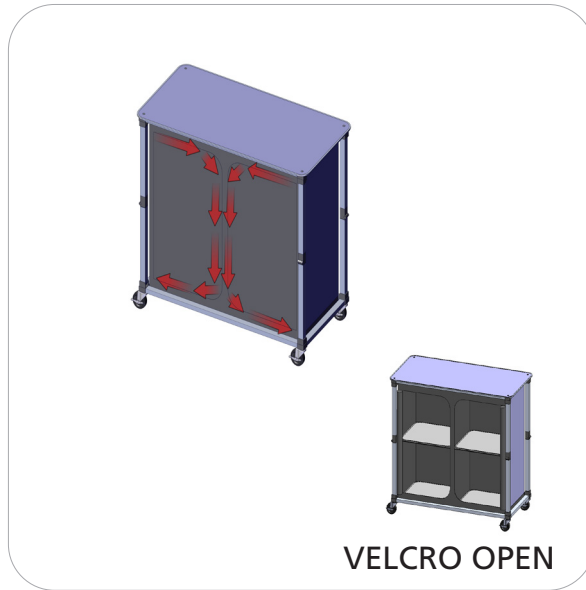

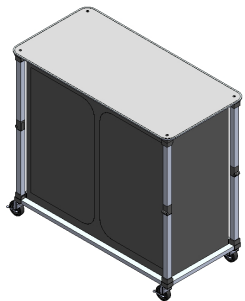

Unzip and insert shelves.

Step 3.

Zip door to close or roll up velcro to stay open.

If graphics have been purchased move on to step 4, otherwise Set-up is complete.

Step 4.

Apply graphics by pressing the sides of the graphics onto the counter, making sure the velcro bands are aligned with one another.

Set-up is complete
