LIGHTER THAN AIR

Apple's lightweight laptop finally gets a refresh to include the top-of-the-line tech you've been waiting for. Released late last year, Apple lovers can now appreciate premium features like *Retina Display*, *Thunderbolt 3* ports and *Touch ID* in the new 13.3-inch *MacBook Air*. Available in three luxe finishes, Space Grey, Gold and Silver, you also have your choice of 128 or 256 GB of storage. Thinner, smaller and lighter than the previous model, this laptop computer manages to pack both a gorgeous display and impressive computing power into a diminutive and chic design. apple.com

FAST CHARGE, FUN DECOR

Charge your phone and smart devices at speeds that keep up with your modern jet-setting lifestyle. The *iON Wireless Plus Fast Charging Pad* by iOttie is compatible with iPhone and Android devices. Wrapped in colourful fabric, choose from classic cream, textured grey, or bold red to match your style and interior decor. This sleek and powerful device features Qi wireless fast charging technology that safely delivers a quicker charge than a standard wireless charger but also comes with a USB port and cable for powering additional devices. iottie.com

AWAY FOR THE WEEKEND

This luxury weekender made by American heritage leather brand Korchmar exudes classic elegance. Neither too much nor too little, this bag makes a tasteful statement in addition to holding everything you need for a quick getaway. Great for leisure or business travel, the *Lux Twain Leather Weekender* comes with a detachable leather strap and is the perfect size for carry-on. Featuring full grain American leather, solid brass hardware and an interior lining of signature yarn-dyed twill, the 22-inch weekender bag also has interior zippered pockets and can be adjusted to create more space by unhooking the exterior clamp. korchmar.com

VINTAGE LOOK, MODERN EYE

A vintage-style instant camera updated for the modern age, the *Instax Mini 90 NEO Classic Camera* by Fujifilm is an extremely of-the-moment item. Capture treasured memories and embrace the unedited experience by taking this instant camera on your next digital detox holiday. Advanced features like bulb exposure, double exposures, macro mode and high performance flash push you towards creativity while the analogue design makes the camera very easy to use. The camera comes with a shoulder-strap and batteries... but don't forget to stock up on film! fujifilm.com

MAKE A DATE WITH 2019

Stay on top of 2019 with this elegant diary from premium English stationery brand Smythson. The *2019 Panama Diary* refreshes the original 1908 design in a pocket-friendly size with durable lambskin cover. Silk lining and gilt-edged pale blue paper add an elegant polish. Choose from eight colours, including classic black or burgundy, or opt for modern colour additions like candy pink, cherry, gold and cobalt. Personalise this diary with a monogram to make it a perfect gift someone won't ever leave home without. smythson.com
