## Measuring:

**NOTE:** When Measuring for your drapery hardware, please remember that the finials/end caps add an extra amount of length to the total track product. See below for measurements and total length chart.

## Finials and Track:

		Finial Colors					Track Colors					Pair of Finial Adds to Total Length	Track Length	Total Finished Length (Track length + Finials)
		AP	BB	MB	PN	SN	AP	BB	MB	PN	SN			
	SFN1											5.5"	+	=
	SFN2											4.5"	+	=
	SFN3											5.5"	+	=
	SFN4											6.5"	+	=
	SFN5											6.5"	+	=
	SFN6											4.5"	+	=
	SFN7											6.25"	+	=
	SFN8											5.25"	+	=
	SFN9											5.5"	+	=
	SFN10											2.5"	+	=
	SEC											0.25"	+	=
	SCAC											1.25"	+	=
	SCEP											0.25"	+	=

Maximum recommended lengths are 96" for one way draws and 192" for Center Draws. Center draws greater than 96" consists of two equal rod lengths (including pulleys), also includes rod joint and cover. Please contact customer service for more information on longer tracks.
