

## DJI Antenna Modification Service

### RELEASE OF LIABILITY WAIVER

Assuming the risks, and agreeing to indemnify, TO FOREVER RELEASE AND DISCHARGE ALL LIABILITY from MaxxUAV.EU (Write it sarl) and their respective agents, employees, owners, volunteers, members, sponsors, promoters, and that I am giving up substantial legal rights. THIS RELEASE OF LIABILITY IS A CONTRACT WITH LEGAL AND BINDING CONSEQUENCES.

In consideration of my DJI Antenna Modification, I acknowledge the risks of this modification which could result in the loss of signal with the unmanned aerial aircraft and FULLY ASSUME THE RISKS ASSOCIATED WITH THE MODIFICATION, by way of example, and not limitation: the dangers of collision with pedestrians, vehicles, other aircrafts, and fixed or moving objects; the dangers arising from inadequate flight conditions, equipment failure, temperature, weather, THE RELEASEES' OWN NEGLIGENCE, the negligence of others; and the possibility of serious physical and/or mental trauma or injury, or death associated with flying.

For myself, my heirs, executors, administrators, legal representatives, assignees, and successors in interest (collectively "Successors") I HEREBY WAIVE, RELEASE, DISCHARGE, HOLD HARMLESS, AND PROMISE TO INDEMNIFY AND NOT TO SUE the Releasees and all sponsors, and promoting organizations, and public entities (the foregoing are also collectively deemed to be Releasees), FROM ANY AND ALL RIGHTS AND CLAIMS INCLUDING CLAIMS ARISING FROM THE RELEASEES' OWN NEGLIGENCE, which I have or which may hereafter accrue to me, and from any and all damages which may be sustained by me directly or indirectly in connection with, or arising out of, my participation or association with MaxxUAV.EU (Write it sarl).

I agree to comply with all such rules, laws and regulations in regard to the laws set forth by the Federal Aviation Administration.

I accept responsibility for the condition and adequacy of my UAV (unmanned aerial vehicle) and my conduct in connection with piloting. I agree, for myself and my successors, that the above representations are contractually binding, and are not mere recitals, and that should I or my successors assert a claim contrary to what I have agreed to in this contract, the claiming party shall be liable for the expenses (including legal fees) incurred by the Releasees in defending the claims. This contract may not be modified orally, and a waiver or modification of any provision shall not be construed as a waiver or modification of any other provision herein or as consent to any subsequent waiver or modification. I consent to the release by any third party to Releasees and their insurance carriers of my name and medical information that may relate solely to any injury or death I may suffer arising from the DJI Antenna Modification. Every term and provision of this contract is intended to be severable. If any one or more of them is found to be unenforceable or invalid, that shall not affect the other terms and provisions, which shall remain binding and enforceable

CAUTION: READ RELEASE OF LIABILITY BEFORE SIGNING. I HAVE READ IT CAREFULLY BEFORE SIGNING, AND I UNDERSTAND WHAT IT MEANS AND WHAT I AM AGREEING TO BY SIGNING

### Return Form

Thanks for trusting us to do your DJI Antenna Modification! Our customer service is second to none and your controller is in good hands! We use the right tools and the best components!

Please review and sign the liability waiver. Without a signed copy of the liability waiver, we cannot proceed with the modification. Please fill out the form below & **include a copy of your order confirmation.**

We highly recommend shipping the transmitter to us with tracking and insurance and package it well! We are not responsible for lost or damaged packages. Please note, the GL300B model remotes are known to have brittle plastic and the screw posts are usually busted upon opening the remote. We will do our best to repair the posts, but they are sometimes unrepairable. We will inform you if there are any issues. Please send your remote with the tablet / phone mount, this gives the remote something to rest on while doing the mod. Ship the transmitter to the following address:

MaxxUAV.EU  
Write it sarl  
16 rue Guillaume Capus  
L-1314 Luxembourg  
Luxembourg

**Order Number**

\_\_\_\_\_  
**Name**

\_\_\_\_\_  
**Phone Number**

\_\_\_\_\_  
**E-mail Address**

**Have you purchased the Clean Install Kit? (Y / N)**

- If not, do you understand that holes will need to be drilled into your remote and agree to this? (Y / N)

**If a firmware update is required for us to do a field test, do you agree to let us perform the update? (Y / N)**

- If No, we are still able to test the output power to make sure the it's working properly with an RF Meter.
