A NOTE FROM CARI, JOHN, + ANNIE

In the Karonis house, food has always been synonymous with family. Our best memories, most fun times, and dearest moments have occurred while preparing meals in the kitchen or enjoying them together around the table.

We founded SKORDO in 2016 in this spirit — one that we hope to bring to you. We hope our stories resonate with yours as we celebrate the power of good food to bring people together.
