*Data: Brix 19.9 PH 3.11, Titratable Acidity: 8.1 g/l*

*Fermented with Lalvin FC9*

*Bottled at 43% ABV*

*No added sugars*

### INFORMATION

Our Mastiha is produced as it was the old way. Higher alcohol and without any sugar. It's how Mastiha was originally developed into a drink, we love the idea of adding no sugar thus allowing the consumer to truly taste what the spirit was initially intended for.

Our Mastiha starts with our base of un-aged Riesling brandy, we import the Mastiha from the island of Chios and let it steep into the high proof spirit for a few months. We then distill our spirit one more time, capturing only the hearts and essence of this precious distillate, no sugar added, bottled at 43% ABV.

### TASTING NOTES

Citrus – Piney

### FUN FACT

Known since the 5th century BC, Chios Mastiha has been referred to by notables like Herodotus and Hippocrates for its beneficial and digestive properties and unique taste, and it was noted that Mastiha was the first ever gum, due to its aromatic properties.
