HIP HOLSTER

The Alaska Hunter hip holster is designed for practical, easy carry. We have placed two screws and one snap on the back of the Alaska Hunter, this feature enables the user to either **slide their belt through the loop**, or unscrew the two screws and **wrap it around a backpack** or any other strap that can not be disconnected. The Alaska Hunter is available for revolvers and semi-autos. It is a great choice for **carrying your firearm on your hip securely** while at the same time offering you the versatility to take it with you anywhere.

*Available in natural oil, brown, black

*Available for Revolvers & Semi-autos

ACCESSORIES

Our most popular selling accessories are the **Rifle Butt Cuff and the Rifle Slings**. The Butt Cuffs set themselves apart not only with **reinforced stitching** between each loop to help prevent interior cartridge loop dimensions from changing, but we also use the same **high quality leather** on the Butt Cuffs and Slings as we do on our holsters.

The inside of the Butt Cuffs and the Rifle Slings are **suede lined ensuring a snug, no slip, protective fit**.

The Rifle Slings come either **plain, basket weave stamped***, **border stamped***, and/or with **padding***.

Both our Butt Cuffs and Slings are offered in **Natural Oil** (most popular), **Black**, and **Brown**.

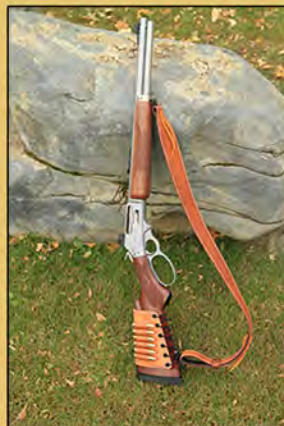

You will not find a finer Butt Cuff or Rifle Sling on the market.

** indicates extra charges for these options**

“ALASKA TOUGH” LEATHER BELTS

All of our leather belts are **100% hand crafted**. We use the same **high quality** vegetable tanned, **top grade**, full-grain **leather** that we use for our leather holsters. The stitching in our leather belts is of the **highest quality thread**, stitched with the finest sewing machines available.

Every start and stop point is double lock-stitched for **added strength and durability**.

Our belts are all **double lined** and **firm** enough to ensure that when you draw your weapon from the holster your belt **WILL NOT fold**. All of our belt buckles are **interchangeable** with the use of 2 hard action snaps. For added regitivity we also offer **kydex reinforced** belts as an option. We believe you will find these belts to be of the **absolute best quality and strength available** anywhere. All of the belts are available in 1 1/4”, 1 1/2”, 1 3/4” width. Cost does vary slightly and the price listed is for the **most popular width, the 1 1/2”**.
