FANCY ⋈ TIGER ⋈ CRAFTS

PORT ISABEL COWL
BY AMBER PLATZER CORCORAN

Designed for Yarn Along the Rockies 2014

This lacey cowl is light and ethereal, the perfect accessory for cool evenings when the temperature dips. The lace pattern is simple and easy to remember, making it a great introduction to lace and satisfying to knit. This Fancy Tiger pattern was designed by us for the 2014 Yarn Along the Rockies yarn crawl. It features Quince & Co's Piper yarn, a 100% Texas grown yarn made with Texas Merino wool & Texas kid mohair. This yarn is available in-store at our Denver location. Other yarns which we offer online that would make a great substitute are the Fibre Co's Meadow, Malabrigo Lace or Madelinetosh Prairie.
