# WILLOUGHBY NESTING BINS PATTERN

## MATERIALS

2 colorways Echoview Fiber Mill Lanyard Yarn

Shown in Natural and Dove Grey (one cone in each colorway will make all three bins)

## TOOLS

Size N crochet hook  
Large darning needle

## GAUGE

Rounds 1-6 will be approximately 4-4.25" in diameter after blocking with a Size N crochet hook

\*Don't get caught up on gauge for these - if you're happy with the fabric you've made, great! If it seems too loose or too tight, adjust accordingly.

## SIZE

Small (Medium, Jumbo)  
Small: 5" diameter, 4" tall  
Medium: 6.5" diameter, 5" tall  
Jumbo: 9.5" diameter, 7" tall

## CONSTRUCTION NOTES

These storage bins are quick to crochet and can easily be adapted to any size. You'll start with a flat base, crocheted in the round, and then work straight up the sides. I've outlined a small, medium, and jumbo size, but if you'd like to change it up, simply crochet the round base as outlined until your approximate diameter is met, and start working up the sides with the same general formula.

The eyelash stitch pattern almost resembles a woven basket, and results in a sturdy bin that could be used to hold fruit on your kitchen island, your

current WIP, or a treasured houseplant. If your basket feels a little wobbly at first, do not worry! A quick block and shaping will result in nice, even stitches.

## ABBREVIATIONS

- sc- single crochet
- sl- slip
- ch- chain
- st(s)- stitch(es)
