### WOMEN'S FLIP FLOP SIZING

Fold the paper at the line on the heel, and place the edge against a wall.

Place your heel against the wall on top of the flip flop outlines, stand upright, and see which one fits!

Fold here and place edge against wall

## MEN'S FLIP FLOP SIZING

Fold or cut this page on the dotted line in the middle of the flip flop. Align with the flip flop shape on page 2.

Place your heel against the wall on top of the flip flop outlines, stand upright, and see which one fits!

Make sure you print at FULL SIZE (100%), with no scaling. A credit card should exactly fit in this outline.
