The
Organised
Store

**EVERYTHING CAN
BE ORGANISED**

We are proud to offer you innovative and Scandinavian — designed storage that will help you create space in every room in your home or business.

Our ultimate storage solutions will not only save space — but create space. For over 60 years Elfa has been market leaders and pioneering in storage solutions. Swedish designed and built, Elfa® customisable shelving is famous for its enduring quality and design.

Engineered to hang from a single fixed Top Track, the simple design can be reconfigured at any time — quickly and simply. Made from epoxy bonded steel, it's the quality storage of choice for any room in your home, backed by a 10-year Elfa guarantee.

INSTALLATION

Elfa® is so simple to install. Simply screw in the Top Track and all shelving, drawers and accessories simply click on.

FLEXIBLE & QUALITY

Wall and floor based products are the foundation of our smart storage system allowing you to customize a solution. Our durable steel products come with a 10-year warranty. Elfa can be moved, change, adapted with ease Elfa® shelving is load rated at 100 lbs. per linear foot

DESIGN

Elfa® can be custom designed to fit the needs of any space in a home or business. It comes with a complete set of shelving, drawers and accessories for every eventuality.

With the right storage, even small spaces become big!

TO DO

- The ✓
- Organised
- Store ✓

A kitchen in good taste...

...promises food that tastes good.

We all have different needs...

...that's why we offer so many bedroom solutions.

Your bedroom should fit your life...

...in every single detail.

There are two things you can never have too much of...

shoes... shoes... shoes...

...and great storage.

Top Track
Everything hangs on the top track. This is the only part you need to screw into the wall.

Hang Wall Bands
Hangs on the top track. Supports the entire wall Hang System.

Click in Basket
Where you attach all the functions. Mounted in the hang standard.

Bracket Cover
Gives a complete look to the bracket.

Double Rail
Hanging function for magazines, scarves, etc.

Expandable Valet Rod
Perfect to use if you have a narrow space. Expands to its double length.

Tie & Belt Rack
Smart function that store many ties/belts.

Bracket Tray
A smart function to keep track of your accessories.

Divider for Shelf Basket
Use on each end and/or divide into sections.

Shelf Basket
For optimal storage for a variety of items.

Gliding Mesh Drawer
Perfect for all storage. Available in three different heights. An alternative to the wire drawer.

Bracket Hook Rack
Smart feature for storing scarves, necklaces and more.

Single Show Rack
Gives you a great overview of your shoes.

Dividers for Wire Shelves
Makes it easy to organise your items after your needs.

Top Track Cover
Covers the screw heads on the top track for a more finished look.

Closet Rod Holder
Attaches the closet rod to the storage system.

Shelf Hook
Place an extra hook wherever you need one.

Valet Rod
Perfect for hanging storage in narrow spaces.

Closet Rod
For hanging clothes in several different lengths.

Door & Wall Rack Basket
Creates space where there simply was none.

Gliding Pant Rack
Pull-out pant rack. Gives a good overview of your pants.

Gliding Wire Drawer
Perfect for all storage. Available in three different heights.

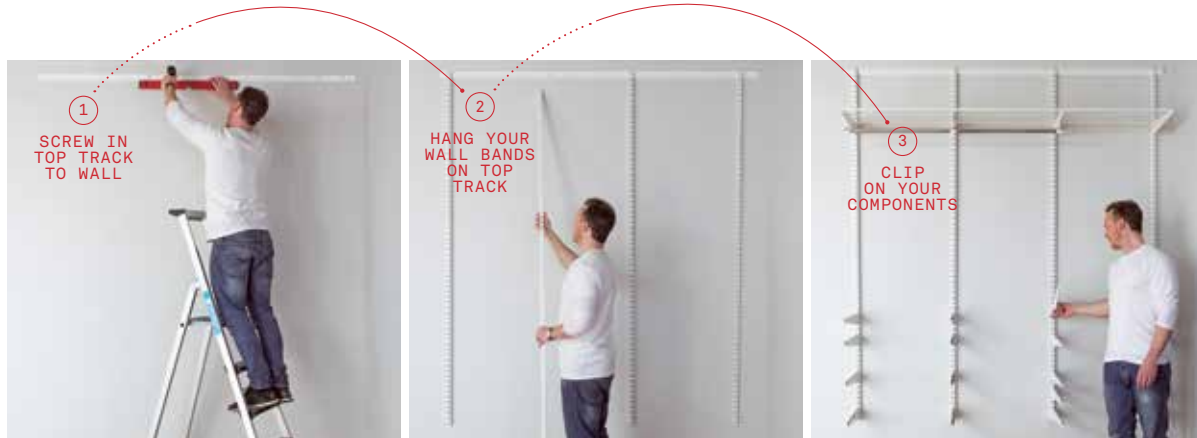

Label Holder
Snap on a wire shelf for identification of the content.

Gliding Shoe Rack
The perfect choice for your high heel shoes.

Gliding Shoe Shelf
The perfect choice for your flat shoes.

Wire Shelf
Airy, wire shelf storage that is perfect for almost anything.
