# Maver

## HOW TO USE

Screw the magnet adapter on bottom of cartridge

Drop cartridge with the magnetic adapter into the battery chamber.

When your cartridge has made a connection to your device, a **blue light will flash once**.

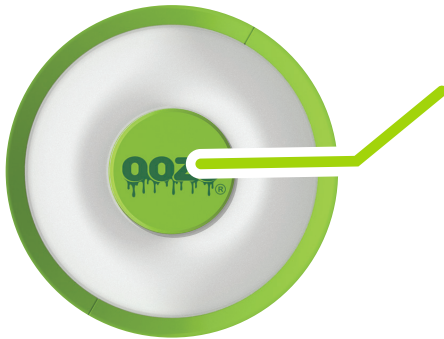

**Take  
A Hit!**  
Auto Draw!

Just start inhaling! This provides a smoother, more accessible experience for those unable to operate devices with buttons.

# Mavez

## WIRELESS SETUP

- 1.** Turn on device by pressing and holding center button for one second (You will hear 3 rising tones. The speaker is now on)
- 2.** Make Moves discoverable by holding the button down until rainbow cycle colors begin.

**3.** Select Movez in discoverable devices.

**4.** Pair with Movez and begin to play music!

## HOW TO CHARGE

### **Type-C:**

Plug the Type-C charging cord into the port located near the bottom.

### **Pass-Through Charging:**

Don't let low battery slow you down! Plug the battery in via Type-C and vape while it charges.
