

HEAVY-DUTY BILGE CLEANER

BOOYAH CLEAN® HEAVY-DUTY BILGE CLEANER IS AN EPA SAFER CHOICE-CERTIFIED CLEANER THAT MEETS EPA'S SAFER CHOICE DIRECT RELEASE CRITERIA. BOOYAH CLEAN® HEAVY-DUTY BILGE CLEANER IS COMPRISED OF SAFER INGREDIENTS THAT PROVIDE THE BEST CLEANING ABILITY WHILE BEING THE SAFER CHOICE FOR HUMAN, ANIMAL, PLANT, AND AQUATIC LIFE.

INGREDIENT DISCLOSURE:

BOOYAH CLEAN® HEAVY-DUTY BILGE CLEANER

Water - CAS # - 7732-18-5

Surfactant - a naturally derived surfactant made from renewable raw materials including corn, and the oils from coconuts and palm kernels. It is non-ionic and it increases soil removal and emulsification. CAS # - Trade Secret

Diethylene Glycol Monobutyl Ether - dual aqueous/organic properties that effectively reduce surface tension, while also assisting with soil suspension. Provides extremely efficient, active solvency for greases and oils. CAS # 112-34-5

Chelant - an environmentally friendly chelate that prevents rancidity and extends shelf-life. It is also biodegradable. CAS # - Trade Secret

pH Adjuster - used to assist with the pH balance as well as enhancing the cleaning performance and efficiency - CAS # - Trade Secret

Beta-hydroxytricarboxylic Acid - a natural substance that is water-soluble and is of low toxicity and low aquatic toxicity. CAS # - Trade Secret
