Fitness, friendship and fun

The Malvern Marlins is an established Masters Swimming Club (MSA affiliated) based at the Harold Holt Swim Centre. We welcome new members aged eighteen and over, interested in increasing fitness, improving swimming ability, competing or swimming purely for health and wellbeing.

Marlins coaches offer advice on swimming technique, and preparation for pool and open water competitions. Sessions are typically over 2km. Ideally new members should be able to swim three of the four competitive strokes.

The club has a long history of success in pool and open water competition. You may enjoy the club's training sessions without choosing to compete.

Social activities are organised throughout the year including bike rides, movie evenings and lunches, as well as informal get-togethers after training.

Marlins members also have the opportunity to develop their skills in coaching, officiating and administration.
