# How it works

Spring has highly sensitive movement sensors embedded in the base and smart algorithms that recognize your drinking motions. It will wirelessly transfer all of the data to the Bellabeat app by syncing, and provide you with an overview of your hydration stats. Taking into account your physique and lifestyle habits, Spring's algorithms will calculate your tailored hydration goals. It is powered by a replaceable battery that lasts up to 4 months.

## MAKE HYDRATION A HABIT

Reach your water intake goal everyday with Spring and discover the power of hydration and the benefits it will have on your health. Spring makes sure you never forget to drink regularly, teaches you how to reach your goals and helps you create a healthy habit with drinking reminders tailored to your daily needs.

## EASY TO CLEAN, FUN TO ACCESSORIZE

The combination of beautiful and functional design will make Spring your health and beauty essential. Accessorize it your way with changeable rubber grips and lids. All parts of Spring are made to be modular for easy cleaning.

## STAY MOTIVATED AND INSPIRED WITH BELLABEAT APP

You are your only competition. Track your progress and be proud of your achievements. Share your progress with fun sharing messages that will inspire others to embrace a healthy lifestyle.

## COMPATIBILITY
