# Anesthesia Syringe Tapes, Flags and Labels

## Product Features

- Meet critical patient safety and regulatory guidelines.
- Prevent medication errors caused by unlabeled or improperly labeled medications.
- Specific color and format standards for each drug class.
- Wide selection of in-stock ASTM standardized colors, drug classifications, and required identification fields.
- Customize any tape, flag, or label to meet your specific needs.
- Durable and compatible with ball-point pen or felt-tip marker without smudging/blurring.
- Specially formulated adhesive to prevent edges from lifting, yet glove-proof.

# Available in these or other standards recognized around the world.

101 (Roll of 1/2" x 500" Tape)

102 (Roll of 1/2" x 500" Tape)

103 (Roll of 3/4" x 500" Tape)

105 (Roll of 1/2" x 1-1/2" x 600 Pre-cut Labels)

106 (Roll of 1/2" x 1-1/2" x 600 Pre-cut Labels)

107 (Roll of 3/4" x 1-1/2" x 600 Pre-cut Labels)

Substitute \*\*\* in product number below for 3-digit variant number above.

## Syringe Tape Dispensers

**SAA-6572612**  
**TAPE DISPENSER**

Syringe Tape Dispenser. Compatible with most anesthesia crash cart. Holds up to 12 rolls. Convenient integrated pen holder. Suction cup feet keeps dispenser in place. All-acrylic construction is MR-safe. Tape sold separately. 4.6" H x 9.6" W x 7.6" D

**SAA-4663801**  
**TAPE DISPENSER**

Syringe Tape Dispenser. Compatible with most anesthesia crash cart. Holds up to 24 rolls. Convenient integrated pen holder. Suction cup feet keeps dispenser in place. All-acrylic construction is MR-safe. Tape sold separately. 14" W x 6" D x 4" H

## Syringe Pre-cut Label Dispensers

**SAA-7820251**  
**LABEL DISPENSER**

Dispenser for Pre-cut Labels wound on cores with up to 3" diameter. Compatible with most anesthesia crash cart. Separates labels from backing for ease of use. Accommodates varying widths of labels. Convenient integrated pen holder. Suction cup feet keeps dispenser in place. All-acrylic construction is MR-safe. Labels sold separately. 4.5" H x 9.5" W x 7.5" D

**SAA-8635142**  
**LABEL DISPENSER**

Dispenser for Pre-cut Labels wound in Self-Dispensing Boxes. Compatible with most anesthesia crash cart. Removable dividers to accommodate wide variety of box sizes. Non-skid feet prevent slipping. All-acrylic construction is MR-safe. Labels sold separately. 10" W x 5.5" D x 5.125" H
