

## **GermAwayUV Table Top UVC Surface Sterilizer**

### **SKU # 201035**

### **Instruction Manual**

### **Specifications:**

- Light wave: UV-C 253.7nm wavelength
- UV intensity: 168  $\mu\text{W}/\text{cm}^2$
- Bulb lifespan: Up to 12,000 hours
- Voltage supply: 120V, 60Hz
- Output: 55 watts
- Dimensions: 22" x 8" x 8" (5 lbs.)
- Remote control: 45 ft. range
- 30 second delayed power on switch
- UV Lamp: Item # 191701
- UV Safety Glasses: Item # 302055 (Not Included)

## Operation:

### **Direct Control:**

1. Press the ON/OFF button and all four indicator lights will flash.
2. Press the TIME SETTING button to choose the sterilizing dosage time, (3 options available: 15 minutes, 30 minutes, and 60 minutes). The Red power indicator light and the Green selected time indicator light will flash.
3. After selecting the time, press the ON/OFF Button. Both indicator lights will remain on. You will have a 30 second delay to leave the room, after which the UV Sterilization process begins.
4. The light will automatically turn off after the selected dosage time.

### **Remote Control:**

1. Press the ON/OFF button on the remote control and all four indicator lights on the equipment will flash.
2. Choose the selectable dosage time (3 options available: 15 minutes, 30 minutes, and 60 minutes). The Red power indicator light and the Green selected time indicator light will flash.
3. After selecting the time, press the ON/OFF button. Both indicator lights will remain on. You will have a 30 second delay to leave the room, after which the UV sterilization process begins.
4. The light will automatically turn off after the selected dosage time.

## Ultraviolet Safety Information:

- **Avoid exposure to UV light. Germicidal ultraviolet rays are harmful to the eyes and skin.**
- Always unplug the unit before performing service or maintenance.
- Do not use the equipment for anything other than its intended purposes.
- Remove all pets and animals from the sterilization area.
- Germicidal UV rays may break down plastic, rubber or other non-metallic materials, fade colors, and can be damaging to plant life. Shield these items, which may be exposed to direct ultraviolet rays.
- Do not alter the construction or design of this unit.
- Do not remove the safety labels.
- Intended for indoor use only.
