

250 CFM GermAwayUV Defender

SKU 201186

Built with high quality materials, including a powerful 250 CFM fan and multi-layered filtration system, this air purifier succeeds in providing thorough and efficient air sanitation.

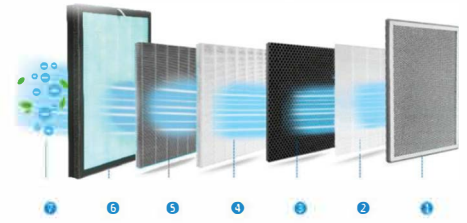

FEATURES AND BENEFITS:

- 4 speed Ultra-Quiet Fan that moves air at 250 cubic feet per minute while maintaining noise levels below 60 decibels, even on the highest setting.
- 7 Stage Filtration system capable of eliminating everything from pet fur and pollen to mold and viruses.
- UV 254 nm germicidal light that destroys airborne microbes.
- Convenient and energy efficient Timer with sleep function.
- Light and durable construction to allow this high-efficient device to also be easily portable.
- Bright Display screen that showcases all information from current system.

Filter Stages

PP Pre Filter+HEPA
+Carbon Filter+Photocatalysis
+UV Lamp+Cold Catalyst+Anion
