

## ***ProLab CM Series Plating Kit***

### Limited Warranty

Gold Plating Services Inc., (Seller), warrants the ProLab CM *Series* Plating Kit internal components and external power supply and air compressor, when supplied, to be free from defects in material and workmanship for a period of one, (1), year from the date of purchase. If the internal components of any ProLab CM Power Tower, included power supply, or air compressor should prove defective in material or workmanship, Gold Plating Services, at its sole discretion, will repair or replace the defective item. Service under this warranty can only be obtained by receiving a warranty return authorization and then delivering or shipping the equipment with all shipping or delivery charges prepaid to:

Gold Plating Services  
378 North Main #112  
Layton, UT 84041

This warranty does not apply to any consumable components such as pre-treatment or plating solutions, anode inserts, anode bags, common leads, plating racks, air tubing and valve(s), beaker covers or cathode busses, or any other accessory components not specified in included items above. This warranty does not apply to corrosion or damage of any included components caused by neglect or user failure to clean or maintain as required. This warranty does not apply to damage caused by accident, misuse, abuse, or neglect.

Gold Plating Services makes no express warranties, including any warranty of merchantability or fitness. This warranty expressly excludes all incidental and consequential damages. (Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you.) This warranty gives you specific rights and you may have other rights that vary from jurisdiction to jurisdiction.

**Warning:** The individual user should take care to determine prior to use whether this device is suitable, adequate, and safe for the use intended. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to the suitability or fitness of this equipment for any specific application except as explicitly described in the written material provided by Gold Plating Services Inc.
