

Discounts on Bulk Purchasing July 1, 2018*

Following is current pricing for a single transaction for select products. The sales are not cumulative with one exception. The first purchase of a product at full retail price may be consolidated with a purchase of the same product within 60 days. This allows you to purchase one item at full price and within 60 days use that purchase towards your next order for the same item to receive bulk order discount.

Private labeling is available for orders of 10 or more units. A one time set up fee of \$500 is required per product type. Your company information will replace all references to Gold Plating Services on the product, user's guides, technical data sheets, and safety data sheets.

Gold Plating Services Product Warranty July 2018

At Gold Plating Services we believe that our products, in conjunction with design, customer support, and technical support offer the best value for their intended use when compared to any commercially available equivalent product. When consulting with a customer or potential customer we make a "best effort", based on our understanding of purpose, to insure that the product recommended or purchased will be appropriate for the customer's application.

WE Guarantee that any product purchased from Gold Plating Services will perform as specified in our written or on-line descriptions, user guides, and specifications. **Warning:** The individual user should take care to determine prior to use whether the product (s), being purchased are suitable, adequate, and safe for the intended use. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to the suitability or fitness of our products for any specific application except as explicitly described in the written material or web site information provided by Gold Plating Services Inc.

Equipment components are covered by a limited warranty regarding defects in material and workmanship. To obtain a copy of the warranty for a particular equipment item please [click here](#) and request the warranty you are interested in.

Return Policy: Purchase carefully, as a matter of policy, we do not accept any returns for any reason except as provided above or as specified in the specific warranty terms and conditions for equipment. If an exception to this No Return policy is made, the agreement to accept a return will be at the sole discretion of Gold Plating Services. The terms of the return will be determined on a case by case basis and any compensation for a negotiated return will be for product credit only and will require a mandatory twenty percent restocking fee. Any return for any reason is subject to our Un-Authorized Return Policy as stated below.

Un-Authorized Returns: Under no circumstances may any goods be returned to Gold Plating Services without prior written authorization which will include issuance of a Returned Materials Authorization number, (RMA number), for the item(s) to be returned. The RMA number must be clearly marked on the exterior of the packaging. The return of any product to Gold Plating Services without the appropriate RMA number will be considered an Un-Authorized Return. The disposition or disposal of an Un-Authorized return will be at the sole discretion of Gold Plating Services. Any cost incurred because of an Un-Authorized Return, including shipping, storage, or disposal will be the responsibility of the party sending the Un-Authorized Return.
