

CERTIFICATE OF QUALITY

EZgrip® Carboy

Catalog Number:
Lot Number:
Description:
Date of Manufacture:

Materials of Construction:

All listed materials are USP Class VI Compliant:

- 15F – Fluorinated High Density Polyethylene(HDPE)
- 15K – UV Block High Density Polyethylene (HDPE)
- 15N – UV Block Polypropylene (PP)
- 152 – High-Density Polyethylene (HDPE)
- 155 – Polypropylene (PP)
- 157 – Co-Polyester (CP)
- 158 – Polycarbonate (PC)

VersaCap® Material Specification:

USP Class VI; Polypropylene

VersaCap® O-Ring Material Specification:

USP Class VI; Platinum cure

Component Material Toxicity:

All component materials have been tested and meet the requirements for United States Pharmacopoeia (USP) class VI Biocompatibility Test for Plastics, current edition. The plastic meets the requirements of the United States Food and Drug Administration (FDA) for food and beverage contact in accordance with 21 CFR 177.1640.
