

- **VersaCap®** technology provides the flexibility of interchangeable connectors
- **EZgrip™** body features advanced ergonomic design
- **EZfil™** wide-mouth design for easy filling and cleaning
- **VersaBarb®** technology provides interchangeable spigot options
- **Made in the USA** 

**Caution**

- Do not use carboys under pressure or full vacuum
- Do not use carboys at temperatures greater than the rated maximum
- Do not store oxidizing agents in carboys
- Do not flame carboy 
- Do not use carboy spigot as a handle
- Do not use for long-term storage of strong organic compounds 

Foxx Life Sciences' **EZgrip™** Carboy is an advanced fluid handling system developed with the end-user in mind. The ergonomically designed **EZgrip™** body, coupled with our **VersaCap®** technology provides the user with an easy-to-use and easy-to-clean carboy.

The **EZgrip™** HDPE Carboy is made from a translucent USP Class VI, FDA Grade resin, with excellent chemical resistance, making it ideal for most buffers and reagents as well as powders and solids.

The **EZgrip™** Carboy's body includes design features that allow the user to easily hold and manipulate during lifting, filling, and pouring, while **VersaCap®** technology provides interchangeable, leak-proof top connections. **EZgrip™** Carboy features include large top handles, molded hand grips in the base, easy-to-read metric graduation marks certified to  $\pm 5\%$  accuracy, and the carboy material molded into the side for easy identification.

The **EZgrip™** HDPE Carboy offers an **EZfil™** 120mm neck for easier filling and cleaning. This is available on 20L, 40L, and 75L models.

-  Novel shape maximizes bench and shelf space
-  Bottom handles provide a secure grip while lifting and transporting
-  Large top handles for a full hand grip
-  Molded carboy identification marks
-  Large, clear graduation marks with  $\pm 5\%$  accuracy
-  Autoclavable spigot and **VersaBarb®** technology
-  **VersaCap®** technology with versatile adapters and replaceable gasket
-  **EZgrip™** body design allows for maximum solution recovery
-  **EZfil™** wide-mouth shape for easy filling and cleaning

Product Number	Description	Capacity (L)	Material	Spigot	Cap Size (mm)	Qty/Pack
