

## Wall sticker Instructions

When applying our wall sticker, please make sure that the wall surface is clean and free of water. The surface needs to be completely smooth ; otherwise the sticker will fall off easily.

1. Lay the wall sticker face up on a flat surface and rub over the graphic using a rubber squeegee or a credit card to stuck all the graphic part to the transfer tape.

2. Slowly, peel the sticker off the sheet.

3. Paste the sticker were desired.

4. Wipe down the sticker gently in a wiping motion to eliminate hair bubbles with a rubber squeegee. You can use a credit card or something similar if you don't have a rubber and voila!
