

## **Figure Suit Rental Policy**

At this time, Toxic Angelz Bikinis only rents figure suits. Custom competition bikinis are for sale only. All available suits are pictured on our "Figure Suit Rental" page. Click on a suit to see the rental price, size, and availability.

### **Rental Dates:**

Your show date is required for any rental. Toxic Angelz will ship your suit fourteen days before your show to ensure that you receive it on time. The suit must be received back in our warehouse within 5 days of the completion of your show. There is a \$25 per day late fee for any suit that comes back after the 5 day window. If you wish to rent a suit for two shows, please contact us for a discounted rate and details.

### **Rental Specifics:**

The only person allowed to wear a rented figure suit is the competitor who requested the rental. If a suit is loaned to another competitor, you will be charged a second rental fee.

Once you receive your rental suit, you have 48 hours to notify Toxic Angelz of any problems. If your suit doesn't fit, we will do what we can to help adjust it, but please note that since these suits are rentals, custom fit isn't guaranteed. If your measurements do not match what is listed on a particular suit, please be aware that the suit will not fit. If the suit just does not fit at all and can't be worn, you have 48 hours to return it to Toxic Angelz. You will be given a full refund in the form of a Toxic Angelz credit. This credit can be used towards the purchase of a new competition suit or beachwear, or rental of another suit.

### **Cleaning:**

Suits MUST be cleaned thoroughly before returning to Toxic Angelz. DO NOT throw it in the washer machine and DO NOT dry clean. Suits must be hand washed. You can soak the suit in luke warm water and gently scrub with mild detergents. Hang dry.

If a suit isn't properly cleaned before being returned, a \$50 cleaning fee will be charged to your credit card.

### **Damage:**

If a suit is returned in a damaged, but repairable state, a \$50 damage fee will be charged to your credit card. Repairable damage is defined as small tears or stains on the fabric or a broken connector.

If a suit is returned and is damaged beyond repair, you will be contacted and charged for damages up to the remaining balance of the suit.

If your suit loses a few stones, this will not be considered damage, but please note this issue on the suit return form

**Payment:**

A credit card is needed to reserve a suit and will be charged for the full rental amount at the time of reservation. You will be also charged a deposit fee. The deposit fee will be refunded once the suit is returned and if no late fees, damage fees, cleaning fees, are assessed.

**Date Change:**

If your show date changes and you need to adjust your rental date, please contact Toxic Angelz ASAP to guarantee that the suit is available for your new date. More than one date change may result in a \$25 surcharge.

If for any reason, you no longer need to rent the suit, please contact Toxic Angelz for a credit towards a future purchase or rental.

**Return:**

When you receive your rental suit, you will get a list of instructions for wearing, cleaning, taking care of, and returning the suit. The suit must be returned in the same condition it was received. There will also be a "rental return" form that must be filled out and placed in the return box with the suit.
