Figure Suit Cleaning

Before returning this suit, it must be cleaned thoroughly. This suit **MUST** be hand washed and dried completely before placing back in the box. **DO NOT** machine wash! Even on hand wash or delicate cycles. Placing the suit in the washing machine will cause major damage that you will be responsible for.

To clean the suit, use a mild detergent (Fels Naptha laundry soap works very well) and lather well under **COLD** water. Be sure to pay special attention to the bottoms to make sure all stains and smells are removed. Please remove spray tan stains as much as possible.

If your suit comes back with major stains, odors, or obviously hasn't been washed, you will be charged \$50 for cleaning fees.
