Star Stitch:

Insert hook into the next chain, yarn over and pull up a loop (4 loops). Insert hook into the next chain, yarn over and pull up a loop (5 loops). Yarn over and pull through all 5 loops. chain 1 (this creates the “eye” or center of the star).

Insert hook in the eye or center of the star, yarn over and draw up a loop. Insert hook in the chain from the last stitch (that has already been “used”). Insert hook in the next chain, yarn over and draw up a loop (4 loops). Insert hook in the next chain, yarn over and draw up a loop (5 loops). Yarn over and draw through all 5 loops. Repeat to the end of the chain (you should have 1 stitch remaining). Hdc in the last chain.

Row 2 – ch 2, turn work, and place 2 hdc stitches in each “eye” of the star all the way down. Place 2 hdc in the “turning chain” from the first row.
